

IDHCC Board Zoom Meeting

January 17, 2021

Present: Deb Edwards, Monica Lursen, Stephanie Labenz, Andrea Maher, Anne Sposato, Sandy Goree, Kathleen Niedert, Jocelyn Evans, Kristen Simon-Frank

Consulting 101 Workshop Update:

Monica reports 40 registrants so far, including 8 dietetic students. Fee income of \$1350. Speakers also need to register but will not be charged the meeting fee. Only Iowa RDs and students were invited to register.

Budget- IDHCC may have extra charge for technology if it exceeds our usual rate for Josh. We have adequate funds to cover this.

Handouts- send to Josh by Feb 12th at the latest. He will email all registrants a link for handouts along with the link to join the meeting. Useful resources will be one of the handouts.

Technology trial- Josh will contact each speaker prior to Feb 19th and work with them individually to set up their presentation

The workshop will be recorded. Registrants can pay now and access the workshop later. Will send a second email with registration link to all members in early February.

IDHCC/ANFP Spring Meeting Update:

Still a chance the meeting will be virtual. By April, perhaps most of attendees will have been vaccinated.

Andrea reported on speakers/topics selected. Budget will be firmer when speakers are finalized. Amy Mooney-Geels and Anne Sposato will work with Andrea as planning continues.

Gift for members will be the updated pocket guide "Nutrition Focused Physical Exam."

Discussed RDN fees to attend: \$75 for one day and \$125 for both days for members. Suggest adding \$100 extra for non-members. \$25 for students and retirees.

Discussed sending a "save the date" postcard to all IDHCC/ANFP members and care centers in Iowa, similar to last year.

When to hold business meeting? During the lunch break? Or have an open board meeting after the day's CEUs are completed; all IDHCC members welcome to attend.
